

You will remember that almost a year ago Redrow and the St Fagans Trust applied for planning permission to build 630 homes on land either side of Llantrisant Road at its junction with Heol Isaf Radyr .

An amendment to the application has now been submitted to the council. You can read the letter detailing the amendments [here](#) or you can visit the [council website](#) to view all the documents relating to the application.

If you want to submit an objection or comment then please do so as soon as possible in writing to
