

Following the request from our councillors (and those from Fairwater and Radyr and Morganstown) for a rethink by Cardiff Bus, the 64 service has been replaced by the 101/102 service. This operates on Monday to Fridays from Pentreban to Danescourt to Heath Hospital and then various routes to East Cardiff. Please see [Cardiff Bus website](#) for details of the route and times.

Thank you to Councillors Sean Driscoll and Peter Huw Jenkins for their support.
